

Potluck

POTLUCK, FOR THE MODERN CANNABIS CONNOISSEUR

Potluck is rich in meaning and rich in heritage. Potluck products have been developed through a collaboration of some of the most notable Canadian cannabis pioneers. These are finely crafted edibles resulting from a process demanding precision and diligence. These edibles are made with all-natural ingredients and finely tuned processes to combine high-quality and affordability. Potluck edibles have been developed with modern cannabis connoisseurs in mind. We are as serious about crafting our product as savvy customers are about consuming them.

POTLUCK VALUES

We believe that we can help open the door to the therapeutic benefits of cannabis for all Canadians. This requires that we dedicate ourselves to providing a precise and predictable experience every time. We want to be as vigilant about our flavour as we are about our high-quality cannabis. You take your edibles seriously, so do we.

Potluck

Potluck cannabis gummies are as precise as gummies get. They are crafted with expert precision to perfectly combine great taste and the perfect dose. We use only all-natural ingredients including a highly monitored full-spectrum cannabis oil.

Potluck

Potluck uses only the finest Belgian chocolate along with lab-tested, full-spectrum cannabis oil. These Canadian extract pioneers offer Potluck chocolates for the modern connoisseur. Our experts have experience finding the perfect balance of purity, taste and price. Potluck Shatter is carefully crafted for precision and developed for the most sophisticated cannabis connoisseur. Only small batch extracted oil of the purest quality is used to produce a smooth golden shatter every time.
